To Whom It May Concern:

I am happy to write this letter in support of Brandon McCloskey who has been a student of mine for two semesters at Solano College.

Mr. McCloskey is an intelligent and ambitious young man with a lot of potential. He is capable, hardworking, friendly and responsible.

Brandon has put himself through school, and has done better than average academically, even though he has worked full time while attending school, because he has been helping his mom and his two younger sisters financially. I am proud to see him graduating tonight with an AA Degree in Criminal Justice.

Mr. McCloskey has been employed for a year as a Security Officer for Ligouri Associates, Inc. (a Private Security Company). He has worked both in the city of Benicia (at a construction site), and has done parking detail in the city of Fairfield. He wants to go a step further and become a police officer with a Police Department in California.

On campus, Brandon has been involved in extracurricular activities and has been a member of the Criminal Justice Club. In the community, Brandon has been a long time member of the Holy Spirit Church in Fairfield. He has also volunteered his time to work as a teacher's aid at Holy Spirit School.

To conclude, I can say that Mr. McCloskey is an industrious, reliable and conscientious individual. If you are looking for candidates of good character, who have great potential for growth, I recommend Mr. McCloskey to your organization. I believe that he will be an asset to your program.

Very truly yours,
